IEEE-USA WESTERN CARIBBEAN CRUISE

CRUISE DETAILS

From 27 October to 1 November, IEEE-USA will host a 5-night cruise to the tropical wonders of the Western Caribbean. We'll be cruising in style aboard Royal Caribbean's Mariner of the Seas from Galveston, Texas, to stops in Costa Maya, Mexico, and Cozumel, Mexico, before concluding our cruise back in Galveston.

The voyage will feature exclusive events, food and live entertainment, nightly group dining, four informative, fast-paced and insightful "Lightning Sessions" on a variety of interesting topics, scheduled meet-ups and much more!

Many price points are offered to encourage cabin booking and members, friends & family are invited to attend.

See cruise.ieeeusa.org for more details on this exciting IEEE-USA cruise.

SPONSORSHIP

IEEE-USA's Western Caribbean Cruise provides a unique opportunity for sponsorship – it's not just about the cruise itself, but also the 9+ months of promotion leading up to the actual sailing date in October 2025!

With nearly a year's worth of advertising included in our sponsorship packages, there is incredible value provided at all levels across a variety of IEEE-USA platforms, including press releases, web, social, email newsletters and brochures.

Our two top-tier patron packages also provide for a physical presence on the Mariner of the Seas in the classroom/events, and include a complimentary stateroom – giving you a chance to get up close and personal with cruisers in a relaxed atmosphere.
